ARRA REPORT

Many of the school districts in Tehama County received a letter dated October 12th, 2010 concerning the 09/10 ARRA Financial Report. This report was discussed at our September luncheon. The Co-op would like to submit this report on each districts behalf and will only need a minimal amount of information from the business manager. The report is due November 12th and is to be submitted through the CAIS system. We have the ability to submit for districts, but need the green light from the Superintendents. Please contact us by phone or e-mail to get the report completed.

If you decide to complete and submit the report yourself, PLEASE **DO NOT** FOLLOW THE STEP-BY-STEP INSTRUCTIONS YOU RECEIVED WITH THE LETTER. Please contact Ashley in Co-op to get the CORRECT instructions and to let us know who will be submitting as this is important information.

Please contact the Co-op office at any time with questions. Thank You!
