

**TEHAMA COUNTY DEPARTMENT OF EDUCATION
JOB DESCRIPTION
EDUCATION TECHNOLOGY PROJECT SPECIALIST**

DEFINITION:

Under minimal supervision of the Project Director of the Department, the Education Technology Project Specialist will professionally represent and carry out the program vision and expectations. Perform a variety of responsible and complex coordination, technical, bookkeeping, and secretarial duties in support of the supervisor.

ESSENTIAL DUTIES & JOB FUNCTIONS:

Any one position may not include all of the listed duties, nor do all of the listed examples include all tasks that may be found in positions within this classification.

- Responsible for a variety of technical and complex secretarial and coordination tasks without supervision.
- Use a client-centered approach to all telephone conversations, giving information and responses not requiring the attention of a supervisor.
- Compose and prepare a variety of correspondence, documents, and forms.
- Create and disseminate a variety of materials and publications from oral directions, rough drafts, handwritten notes, or charts using a variety of software.
- Establish and maintain filing and record keeping systems.
- Develop and maintain procedures, and databases, for a variety of department functions.
- Prepare purchase orders, audit for accuracy, maintain inventory of program supplies and materials.
- Make arrangements for travel, meetings, and professional development.
- Arrange workshops including flyers, speaker(s), facility, nametags, and other related tasks.
- Make appointments and maintain calendars for staff.
- Coordinate and maintain a variety of work from more than one supervisor.
- Compile, develop, monitor, and review a variety of reports and statistical data without supervision or direction.
- Assist in the development, review, and adjustment of budgets.
- Perform a wide variety of accounting functions.
- Develop a variety of documents for reporting financial information.
- Analyze and reconcile financial data.
- Audit all account receivables, income, adjustments, and process through the computer.
- Responsible for the efficient and timely processing of accounts payable for program sites' fee collection data.
- Design marketing and promotional materials.
- Perform updates to department and school websites.
- Perform other duties as assigned.
- Drive occasionally for department business (optional).

QUALIFICATIONS:

Knowledge of:

- Digital multimedia (graphics and animation, video, sound, authoring tools).
- Internet/World Wide Web capabilities/features, operational principles, trends, applications, sites, terminology.
- Software applications used to create publications such as Adobe Illustrator, InDesign, Acrobat, Photoshop, MS Word, and PowerPoint.
- Organization, procedures and operating details of the department to which assigned.
- Modern office practices, procedures, and equipment as well as correct English usage, spelling, and punctuation.
- Understand and follow operating procedures in alignment with the policies, goals, and missions of the sponsoring agency and the Tehama County Department of Education (Lead Educational Agency – L.E.A.).

Ability to:

- Understand long-term and short-term goals and outcomes for all aspects of the program.
- Learn, interpret, and apply administrative and departmental policies with good judgment.
- Analyze situations carefully and adopt effective courses of action. Train, monitor, and direct assigned office staff.
- Learn, understand, and apply new knowledge as technology and computer systems change.
- Recommend changes and enhancements as appropriate.
- Meet schedules and timelines.
- Plan and organize work.
- Understand, use, and stay current with word processing, database, spreadsheet, desktop publishing, and website computer programs.
- Establish and maintain effective working relationships with staff and the general public.
- Work effectively with constant interruptions.
- Develop a variety of spreadsheets using formulas and references.
- Deal effectively with a wide variety of personalities.

EXPERIENCE AND EDUCATION:

Any combination of experience and training that would likely provide the required knowledge and skill is qualifying. A typical way to obtain the required knowledge and skill would be:

Demonstrated expertise in technology and design via:

- Two years of college work with classes in a variety of related fields, e.g., Web design, graphics, communications or marketing, from an accredited institution. (Completion of a job-training or job related experience in desktop publishing, Web page design may substitute for the required education.)
- Two years of experience in the design, creation and formatting of a variety of materials ranging from simple to complex in both electronic and hard copy versions involving the use of a variety of software applications including the conversion/placement of such materials onto the Internet.

PHYSICAL DEMANDS:

The physical requirements indicated below are examples of the physical aspects that this position classification must perform in carrying out essential job functions.

Persons performing service in this position classification will exert 10 to 20 pounds of force frequently to lift, carry, push, pull, or otherwise move objects. This type of work involves sitting most of the time, but may involve walking or standing for brief periods.

Perceiving the nature of sound, near and far vision, depth perception, providing oral information, the manual dexterity to operate business related equipment, and handle and work with various materials and objects are important aspects of this job.

Reasonable accommodation may be made to enable a person with a disability to perform the essential functions of the job.

TERMS OF EMPLOYMENT:

Salary and work year to be established by County Superintendent.
