

6:00-7:30pm

Training located at
Tehama County Library,
Red Bluff:
545 Diamond Ave

Parent "Technology" Themed Courses Offered:

Session 1, October 16th: Helpful and Hurtful Apps

Come find out what apps can be used to enhance learning and what and how you can monitor those social apps at home.

Session 2, January 29th: College/Career Readiness Using Technology

K-8 Parents will learn how to use technology to have students take virtual college tours, learn about careers, and more. 9-12 Parents will receive help in the technology required for applying to college.

Session 3, April 23rd: What did you do at school today?

Google Training for Parents

Parents will receive their own Google Training in the basics of Google Docs, Slides, Gmail, and more to see how they can view and be a part of what their students are doing at school!
