### **BEAT THE RUSH** **BACK-TO-SCHOOL IMMUNIZATION CLINICS**

Tehama County Public Health would like to remind all parents and caregivers that it is time to catch up on immunizations. Kindergarteners will need their shot records up-to-date in order to start school and all 7<sup>th</sup> graders will need proof of their Whooping Cough (Tdap) immunization before classes begin. *Students may be turned away from school if they don't meet immunization requirements.*

Tehama County Public Health would also like to announce that we will be providing BEAT THE RUSH Back-To-School walk-in clinic hours in **Corning, Red Bluff, Los Molinos, and Cottonwood** to accommodate parents who need to get their children vaccinated for school.

**Children who are eligible for the clinics are those with Medi-Cal, no insurance, or are American Indian or Alaskan Native. If you have private insurance you must see your primary care provider or local pharmacy for immunizations.**

*Fees are based on a sliding fee scale and determined by household income.  
Please call 530-527-6824 for further information.*
