Tehama County Department of Education

Dear Tehama County Department of Education employee:

Out of all the items on your to-do list, enrolling in your employer's benefits program likely isn't at the top. But it's more significant than you may think, as protecting yourself and your family is vitally important.

That's where we come in. American Fidelity provides financial solutions to employees just like you, and we offer benefits tailored for your specific needs.

Your benefit program includes a Section 125 Plan, which not only allows you to pre-tax premiums for qualified benefits, it also allows you to enjoy a tax-saving way to pay for eligible medical or dependent day care expenses with a reimbursement account that deducts pre-tax dollars from your paycheck. Simply choose the amount to be deducted, and the funds are set aside to be used for eligible expenses throughout the year. You can choose from several types of plans.

You only have one chance each year to get educated on all available benefit options and choose the ones that best meet your needs. And because benefits can be confusing, we're here to help you every step of the way. We'll walk you through all available options, answer any questions you may have, and help you build a package that's perfect for you.

An interest form is attached for you to complete and return, and a representative will touch base with you soon to discuss your available options.

Sincerely,

Geoff Joven, Executive Strategic Advisor, **CA License Insurance #0H64295**

Permanent, Portable Life Insurance

Your employer may provide you with group life insurance, but do you have lifetime coverage that you can take with you after employment? Life insurance at retirement can be very costly. Secure a permanent, portable plan today.

Here's How It Works

Permanent Life Insurance provides protection for your entire life, up to age 121.¹

Features

- The policy is effective to age 121.¹
- Multiple coverage options available for you, your spouse, children, and grandchildren.²
- You own the policy, so you can take it with you to a different job or in retirement.

An Easy Way to Pay for Expenses

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses.

The funds are automatically deducted from your paycheck before income tax is applied. Simply choose the amount to be deducted, and the funds are set aside to be used for eligible expenses throughout the year.

Here's How It Works

A Section 125 Plan reduces your tax and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible. All you have to do is enroll.

To enroll in the Section 125 Plan, just complete an election form. You'll receive plenty of advance notice when it's time to enroll. And, in most cases, you must re-enroll each year to keep participating in the plan.

- Apply with no medical questions asked.
- The plan pays an annual Wellness Benefit for one Covered Person to receive a routine physical exam, including immunizations and preventive testing.
- The plan pays a benefit when an Accidental Death or Dismemberment occurs within 90 days of a covered accident.

An Easy Way to Pay for Expenses

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck before income tax is applied. Simply choose the amount to be deducted, and the funds are set aside to be used for eligible expenses throughout the year.

Here's How It Works

A Section 125 Plan reduces your tax and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible. All you have to do is enroll.

Is It Right for Me?

The savings you may experience with a Section 125 Plan are outlined below. By utilizing the Section 125 Plan, Jane would have \$70 more every month to apply toward her insurance benefits or other needs. That's a savings of \$840 a year.

Ready to Enroll?

To enroll in the Section 125 Plan, just complete an election form. You'll receive plenty of advance notice when it's time to enroll. And, in most cases, you must re-enroll each year to keep participating in the plan.

How to Make Election Changes

You're able to change your election each year during your annual benefits enrollment, but the only time Internal Revenue Code regulations allow you to make a change during the plan year itself is if you experience a qualified event. Some examples include:

- Change in legal married status
- Change in number of dependents
- Termination or commencement of employment
- Dependent satisfies or ceases to satisfy dependent eligibility requirements
- Change in residence or worksite that affects eligibility for coverage

These examples may not be all-inclusive. Please contact your employer for guidance with your specific situation.

Employee Name: Smith, Jane
SSN: 123-45-XXXX Payment Date: 1/1/17
Employee Number: 0515 Period Begin Date: 1/30/17

Earnings & Hours	Without S125	With S125
Monthly Salary	\$2,000	\$2,000
Medical Expenses	N/A	-\$250
Taxable Gross	\$2,000	\$1,750
Taxes (Federal & State @ 20%)	-\$400	-\$350
Less Estimated FICA (7.65%)	-\$153	-\$133
Medical Deductions	-\$250	N/A
Take Home Pay	\$1,197	\$1,267

◀ *That's a difference of \$70!*

Where allowable by law. If you are subject to FICA taxes, there might be a reduction in your social security benefit due to the reduction of FICA contributions. Example is hypothetical for illustrative purposes only. Please consult your tax advisor for actual tax savings.

Help Save for Medical Expenses

Are you looking for a way to reduce your taxable income and help pay for medical and dependent care expenses? Reimbursement accounts can do just that.

With these accounts, you'll enjoy a money-saving way to pay for eligible medical or dependent care expenses with pre-tax dollars from your paycheck.

Just choose the amount to be deducted, and the funds are set aside to be used for expenses throughout the year. It's that easy.

Here's How They Work

A **Dependent Care Account (DCA)** allows you to set aside pre-tax dollars to reimburse yourself for eligible dependent care expenses. Because your money goes into the account before income tax is withheld, you pay less in tax and have more disposable income. You may allocate up to \$5,000 per tax year for reimbursement of eligible dependent care services (or \$2,500 if you are married and file a separate tax return).

A **Healthcare Flexible Spending Account (HCFSA)** can save you money by allowing you to set aside part of your pay, on a pre-tax basis, to reimburse yourself for eligible medical expenses such as copayments, deductibles, prescriptions, and more. The maximum amount allowed to contribute into this account is \$2,650 per calendar year. (Please see your employer for the maximum amount allowed by your plan.)

Fast, Easy Reimbursements

If you're interested in either of these accounts, we're happy to set up your account for direct deposit. You can either have your reimbursements deposited straight into your bank account or receive a check by mail – it's entirely up to you.

If you don't file sufficient claims for reimbursement, you could lose the unused amount remaining in your account at the end of the plan year. This is often referred to as the "use-or-lose" rule.

Your employer may offer a carryover of up to \$500 each plan year *or* a grace period, which is a period of time after the plan year ends where you may incur expenses and be reimbursed from the remaining balance in your previous year's account.

Examples of Eligible Expenses

Acupuncture	Invitro fertilization	Physical therapy provided by licensed therapist
Alcohol/drug rehab	Laser eye surgery	Practical nurse
Anesthetist	Midwife	Psychiatrist
Artificial limbs/teeth	Optometrist	Psychologist
Chiropractor	Orthodontia*	Stop-smoking program

Eye exam/eyeglasses/contact lenses	OTC drugs and medicines for treatment of a medical condition**	Weight loss program for obesity***
Hearing aids/batteries	Pediatrician	
Insulin		

Examples of Ineligible Expenses

Capital expenditures
Cosmetic procedures
Exercise equipment
Insurance premiums
Mattresses/pillows
Personal use items
Teeth whitening

*Service must have been incurred or already paid.
**Will require a medical practitioner's prescription.
***May need doctor's statement for medical necessity.
